ORDER:-

In the reference 2nd read above, the Chief Engineer, Nagarjunasagar Project, Nalgonda has informed that the Government have accorded administrative approval for Veadri-Kanchala LI Scheme to stabilize the distressed ayacut of 17366 acres under Eturu and Kanchela Major of Nandigama Branch Canal of N.S.L.B.C. vide G.O.Ms.No.73, dt.08-05-2002 for Rs.1384.00 lakhs for Phase – I and vide G.O.Ms.No.34, dt.11-03-2005 for Rs.1742.94 lakhs for Phase – II. The L.I. Scheme Phase – I was commissioned on 04-07-2004 with ayacut of 8683 acres and Phase – II was commissioned with ayacut of 8683 acres. The Managing Director A.P.S.I.D.C., has requested he Chief Engineer, Nagarjunasagar Project to take over the L.I. Scheme comprising Phase-I & II as ayacut is more than 10,000 acres and is intended to supplement Eturu and Kanchala Majors of Nandigama Branch Canal of Nagarjuna Sagar Project.

2. The Vice Chairman and Managing Director has reported that the ayacut is more than 10,000 acres and the Scheme is meant to supplement ETURU and KANCHELA Major of Nandigama Branch Canal of N.S.L.B.C. More over the WUA were already formed for distributaries and sub distributaries. Hence, the scheme should ideally be maintained by N.S. Project authorities.

3. The Chief Engineer, Nagarjuna Sagar, Nalgonda has reported that he does not have the technical resources to maintain the Veadri – Kanchela L.I. Scheme. He has cited he Government decision vide Memo.No.8160/Maj.Irri.III-2/2005-06, dated:02-04-2005 to transfer 40 L.I. Schemes in Miryalaguda in support of his argument.

4. Thus, there has been some confusion as to who shall maintain the Lift Irrigation Schemes Embedded in a Major Irrigation Project. The issue of Maintenance of Embedded LI Schemes like the one at Veadri–Kanchela was discussed in the Board Meeting of the APSIDC held on 28-12-2010. The Chief Engineer, NSP participated in these discussions as a Special Invitee. The APSIDC Board has recommended that the Chief Engineer Nagarjunasagar Project should be primarily responsible for and in control of the Veadri Kanchela L.I. Scheme so. The operation and maintenance L.I. Head works can be entrusted to APSIDC by paying appropriate services charge. The advantages of this arrangement is that the Chief Engineer of the Major Project in which the LIS is embedded will have control over the Lift Irrigation and Surface Irrigation components of the same project. This will ensure that the water Users have

integrated Single Window interface with Project Authorities. The O&M of the L.I. Scheme can be done by APSIDC for a fee and service charges to be paid by the Chief Engineer of the Embedding Major Project. The Chief Engineer, NSP will be free to entrust O&M to another suitable agency if performance of APSIDC is not satisfactory.

5. Following up on the discussions described in para (4) above, the Chief Engineer, Nagarjunasagar Project has submitted an estimate for Rs.38.04 lakhs for the operation and maintenance of Veadri Kanchala L.I. Scheme on Krishna River. The estimate has been revised to 37.37 lakhs based on scrutiny by the Government. For Quarter wise amount payable to the APSIDC is as follows:-

Sl.No.	Quarter No.	Amount required	Start date	End date
1.	1 st Quarter	14,20, 340.00	01-07-2011 to	30-09-2011
2.	2 nd Quarter	13,70, 340.00	01-10-2011 to	31-12-2011
3.	3 rd Quarter	4,73, 040.00	01-01-20112 to	31-03-2012
4.	4 th Quarter	4,73, 040.00	01-04-2012 to	30-06-2012
Total		37,36, 760.00		

6.. In the circumstances reported by the Chief Engineer, Nagarjunasagar Project, Nalgonda District the Government after careful examination of the proposal, hereby accord administrative approval for the annual operation and maintenance of Veadri – Kanchala L I scheme on Krishna River at Jaggaiahpet Krishna District for an amount of Rs.37.37 lakhs(Rupees Thirty seven lakhs and thirty seven thousand only).

7.. The detailed head of account MH. 4700 Capital Outlay on Major Irrigation-01 Major Irrigation-Commercial- 129 NSP- GH11 Normal State Plan-SH.27 C&D-270 Minor Works 272 Maintenance”.

8.. The Chief Engineer, Nagarjunasagar Project, Nalgonda District shall take over the L.I. Scheme and be primarily responsible for its O&M. The Chief Engineer, NSP may entrust O&M to the APSIDC and release their service charges on quarterly basis. The performance of the O&M agency shall be reviewed by the Chief Engineer, NSP from time to time.

9.. This order issues with the concurrence of Finance (W&P) Department vide their U.O.No.3483/F2(1)11-1 Dt.14.10.2011.
